

# Water Cycle Boogie

(sung to the tune of Skip to My Lou)

Sun a-shining, from its birth,  
Dries the water, dries, the earth,  
A YELLOW bead shows its worth,  
Water Cycle Boogie

Evaporation, water's gone,  
To a vapor, won't take long.  
Choose a CLEAR bead, can't go wrong,  
Water Cycle Boogie

Clouds are forming, drop by drop.  
Vapor moving, will not stop.  
WHITE beads show us, what's on top,  
Water Cycle Boogie

Condensation, water's here.  
No more vapor, give a cheer.  
A LIGHT BLUE bead, like a tear,  
Water Cycle Boogie

Precipitation, rain and snow,  
Shows us water, on the go.  
A DARK BLUE BEAD, don't you know,  
Water Cycle Boogie

See the water, moving fast,  
Runoff on the ground at last.  
BROWN beads also join the cast,  
Water Cycle Boogie

Infiltration in the ground,  
To aquifers the water's bound.  
A bright ORANGE bead now is found,  
Water Cycle Boogie.

Transpiration from a tree,  
Water vapor, you can't see,  
GREEN beads show it, all to me.  
Water Cycle Boogie
